ENTRANCE COUNSELING FOR STUDENT BORROWERS

Federal regulations require that all first-time Federal Direct Loan and Federal Direct PLUS graduate student borrowers at Pennsylvania Institute of Technology complete an Entrance Counseling Session. The purpose of this session is to inform all borrowers of their rights and responsibilities as a federal student loan borrower. This process must be completed before your student loan can be credited to your account. Please complete this requirement promptly to avoid processing delays.

To complete your Entrance Counseling Session, please follow the directions on the [FA Form Help](#) page.

Please be sure that you also complete your [Master Promissory Note](#).
